## FROSTBURG STATE UNIVERSITY

From an opening day enrollment of 57 students, Frostburg State University has grown to a present day enrollment of over 5,000 students. Its physical plant, once limited to a single building, Old Main, which housed classrooms and a library, has also grown to over 30 facilities including classroom buildings, residence halls, the Lewis J. Ort Library, the Harold J. Cordts Physical Education Center, the Lane Center, and the Performing Arts Center, situated on 255 beautiful acres.

Opened in 1902 as State Normal School No. 2, the University owes its existence to the tenacity of J. Benson Oder, editor of the Frostburg Mining Journal, and the citizens of Frostburg who, in spite of political barriers, raised funds and purchased the site on which the University is located.

Principal Edmund Dandridge Murdaugh and three faculty instructed the first Normal School class; in addition, the other faculty taught 151 children in the Model School. The Normal School students, who were high school students having to meet no requirements other than age (girls, 16; boys, 17), had but one two-year course of study, elementary education. The curriculum consisted of Latin, mathematics, history, rhetoric and literature, natural and physical sciences, drawing, music, calisthenics, psychology, philosophy of education, philosophy of school management, Pedagogy, Observation, Practice Work and Primary Manual Training.

Over the years, the name of the institution has reflected the changes in the scope of its educational mission. In 1935, the State Normal School No. 2 became the State Teachers College at Frostburg, a four-year college which offered a Bachelor of Science in Elementary Education. In 1963, the name became Frostburg State College, and finally in 1987, with the strong support of the local civic and business community, became Frostburg State University, an indication of its growing resources, diversity and excellence in educational opportunities for the region and the state.

In 1988, FSU became a constituent institution of the University System of Maryland, comprised of 11 of the state's 13 public institutions. Expanding to meet the educational needs of the region, the FSU Center in Hagerstown was also established in 1988 to offer upper-level bachelor's degree coursework and graduate programs. The University also opened, in 1990, a permanent location for the Frederick MBA program.

Throughout its growth, the University has emphasized excellence in teaching. Over 80% of the full-time faculty hold Ph.D.s or terminal degrees from institutions that are among the most prestigious in the nation. Faculty scholarship has led to scholarly books, manuals and journals, as well as numerous articles and reviews. This excellence in faculty has resulted in superior results for students. FSU has been ranked first among its peers for the number of doctorates per 100 baccalaureate degrees awarded. In the same study, FSU was ranked second in the percentage of national, prestigious awards received by faculty. These have included Fulbrights and significant grants from the National Endowment for the Humanities, the National Endowment for the Arts and other national associations.

At the same time, the University has developed comparable excellence in academic programs, research, consulting, cultural and athletic events, and facilities. In recent years the campus has consistently received a superior rating, the highest state award given for facilities and maintenance. In addition, FSU was also recently ranked safest college campus in the state.

Today, the University's mission and services have expanded significantly. Over 400 full-time administrators and support staff, and more than 200 full-time faculty serve the educational needs of students who come not only from throughout the United States, but also the world. These students have a choice of 37 major programs of study leading to the Bachelor of Art, Bachelor of Science, Bachelor of Fine Arts and Bachelor of Technical and Professional Studies degrees as well as graduate degrees in applied ecology and conservation biology, business administration, counseling psychology, education, wildlife/fisheries biology, human performance, modern humanities, park and recreation resource management, teaching and applied computer science. In addition, 12 pre-professional programs are offered.

### FSU AT A GLANCE

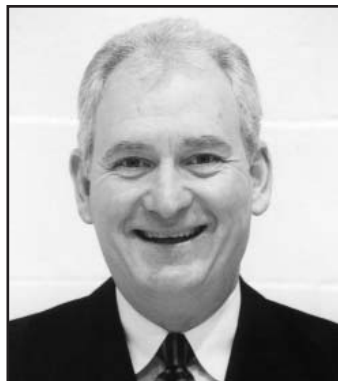

- Average class size: 19
- 85% of classes have fewer than 30 students.
- 17:1 student/faculty ratio
- According to a recent survey, 97% of our graduates are employed. Over 83% are employed in the field of their choice.
- An undergraduate biology student discovered a new species of worm and presented his findings at the Russian Society of Nematologist Symposium in St. Petersburg.
- Among its peer institutions, FSU was ranked second for the number of national awards received by its faculty.
- The NBC hit sitcom "My Name is Greg" was created by a Frostburg State alumni Greg Garcia (Class of '92). Garcia is also the creator of the CBS sitcom, "Yes, Dear".
- The fall 2000 entering freshmen class was the largest in FSU history and 10.2 percent larger than the previous year. The same class had an average SAT score that was 14 points higher than the previous year's average.
- FSU is a partner in the construction of a business and technology park on campus. This new park will provide opportunities for students to engage in research and internships with participating agencies.
- The pass rate of FSU graduates in Social Work licensure exams has been 100% for the past two years.
- Students from FSU's Society for the Advancement of Management chapter placed third nationally in case competition.
- FSU education graduates have typically had pass rates of 96%-98% on the National Teachers Exam.

# HEAD COACH WEBB HATCH

## FROSTBURG STATE UNIVERSITY

**Webb Hatch**  
**Head Coach**  
**Eighth Season**  
**VMI '69**

Webb Hatch begins his eighth season as the head men's basketball coach at Frostburg State University as well as his 33rd year of coaching.

Over the last six seasons, Hatch has led the Bobcats to an 93-97 overall record, one Allegheny Mountain Collegiate Conference Tournament championship, a pair of AMCC Tournament second-place finishes and one Eastern College Athletic Conference South Region Runner-Up showing.

Last season, FSU finished with a 12-15 overall record and an 8-10 AMCC mark. The Bobcats had a promising start, opening the year 3-1 and taking fifth place in the Pride of Maryland Tournament. FSU fell to McDaniel in the opening round but captured wins over Salisbury (70-62)

and Hood (65-63). However, Frostburg State would struggle through the regular season and earn a No. 6 seed in the AMCC Tournament. In the opening round, the Bobcats defeated the No. 3 seeded Penn State Behrend Lions 59-54. In the second round, FSU fell to No. 2 seeded Pitt-Greensburg, 69-54.

Hatch and the Bobcats finished 14-12 overall and 9-9 in the AMCC in 2004-05, dropping five games by single digits. FSU was the sixth seed in the AMCC Tournament and fell to third-seeded Lake Erie 85-67 in the first round. The Bobcats owned a 13-6 overall and 8-4 AMCC mark but lost two starters due to violations of team rules and dropped six of their final seven games to end the year. Junior forward/center Daniel Ryley was FSU's lone selection to the All-AMCC squad, earning second-team honors.

In 2003-04, Hatch led a young Bobcat squad to a 15-13 overall record and a strong run to the AMCC Championship game, where FSU dropped a heart-breaking 44-42 overtime contest to La Roche. The Bobcats won their last two regular-season AMCC games to secure the No. 3 seed and a first-round home game in the AMCC Tournament, where it edged Lake Erie 67-66. The Bobcats then toppled No. 2 Pitt-Greensburg 57-51 in the semifinals before dropping the title game in overtime for the second time in three seasons.

Hatch joined the Frostburg State staff in late August 1999 and needed just one year to turn around the Bobcats. After a 6-19 overall record and a 2-10 mark in the AMCC in his first season, Hatch's second squad went 20-10 (8-4 AMCC), the biggest improvement from the previous season by any NCAA Division III program in the country.

The Bobcats captured their first-ever AMCC Tournament championship and earned a berth to the ECAC Southern Region Championship Tournament for the eighth time in school history. FSU made a thrilling run to the title game, downing Bethany (W.Va.), 99-83, and edging Alvernia, 77-71, before falling to King's, 70-60, in the championship contest.

The Bobcats ranked 30th in the nation in scoring (82.0 ppg) and 34th in rebounding margin (+5.5 rpg). The 20 wins were the second-highest in program history (trailing only the 1970-71 squad that finished 24-4), and the AMCC title was the first conference tournament championship in team history. FSU also set single-season team records for rebounds (1,285) and assists (463).

In 2001-02, Hatch and the Bobcats continued their success, posting a 16-12 overall record and a 9-3 mark in the AMCC. The team advanced to the AMCC championship game for the second straight year before falling in an exciting overtime contest. The team also improved its scoring average to 83.1 points per game and outscored opponents by an average of 5.3 points per game.

FSU's combined 36 wins over the 2000-01 and 2001-02 seasons is the second-highest two-year total in the program's history (trailing only the 37 wins from 1970-1972).

In 2002-03, the Bobcats endured a tough 1-6 start before rebounding with five wins in their next seven games. Season-ending injuries to two key players and the loss of a third player to military service took their toll as the Bobcats dropped six straight contests.

However, FSU hung tough to win four of its final six regular-season games before losing in overtime in the first round of the AMCC Tournament to finish with 10-16 overall and 5-7 in the AMCC. The Bobcats suffered nine losses by 10 points or less.

Hatch came to Frostburg after having served as an assistant at Virginia Military Institute, his alma mater, for the 1998-99 season. Prior to his stint at VMI, Hatch was the first-ever head men's basketball coach at Division III Marymount University in Arlington, Va., for 10 seasons, where he also served as the school's assistant athletic director and sports information director.

Hatch led Marymount to a 13-9 record in his debut season. In 1990-91, he earned Capital Athletic Conference Coach of the Year honors after guiding the Saints to the CAC regular-season championship and a 16-11 overall record. He also led Marymount to an 18-10 record and the CAC Tournament championship in 1991-92. His Marymount teams also advanced to the CAC tournament championship game in the 1990-91 and 1995-96 seasons.

Prior to Marymount, Hatch served as an assistant coach at Virginia Wesleyan College in Norfolk, Va., from 1977 to 1987, where he helped coach the Marlins to two Dixie Conference championships and three NCAA Division III Tournament appearances.

Additionally, Hatch served as head coach at Nansemond-Suffolk Academy in Suffolk, Va., from 1975 to 1977. He coached the boys' team to a 23-3 record and the VAAC championship in the 1976-77 season, and he was also an assistant football coach and social studies teacher at the school.

Hatch began his coaching career as an assistant at Prince George (Va.) High School in 1969-70 prior to a two-year tour of duty in the United States Army. He has also organized, promoted and directed summer basketball camps for the past 25 years.

Hatch received his bachelor's degree in history from VMI in 1969 and later earned a master's degree in education from Old Dominion University in 1985.

## FROSTBURG STATE UNIVERSITY

### Todd Stephens

Assistant Coach  
Second Season  
York '02

Todd Stephens is entering his second season as an assistant on the Frostburg State University men's basketball coaching staff. Last season, Stephens helped the Bobcats rank first in the AMCC in rebounding offense (38.8 rpg) and third in both field goal percentage defense (.432) and free throw percentage (.712).

During the 2004-05 season, Stephens served as an assistant coach at Susquehanna University. He aided in recruiting and served as the head coach for the junior varsity program.

Stephens is no stranger to FSU and the men's basketball program, having served as a graduate assistant coach with the Bobcats for the 2002-03 and 2003-04 seasons. He helped FSU advance to the 2004 Allegheny Mountain Collegiate Conference championship game, where the Bobcats dropped a hard-fought 44-42 overtime contest to La Roche.

Stephens, a 2002 graduate of York (Pa.) College with a bachelor of science degree in sport management, was a four-year member of the Spartan basketball team. He served as team captain his senior year as York finished 21-6 overall and 12-2 in the Capital Athletic Conference.

Stephens earned his masters of education and interdisciplinary studies with concentrations in business and physical education from Frostburg State in May 2004.

### Evan Fowler

Assistant Coach  
Second Season  
Mary Washington '04

Evan Fowler begins his second year as a graduate assistant coach with the Frostburg State men's basketball program. He comes to FSU after a stellar playing career at Mary Washington University.

Fowler was a four-year starting point guard for the Eagles from 2000 to 2004 and graduated as the Capital Athletic Conference's all-time leader in assists (652) as well as Mary Washington's career leader in steals (211) and games started.

After enduring 11-14 and 10-16 records during his first two seasons, Fowler helped lead the Eagles to their best two-year totals in school history. As a junior, he led UMW to a school-record 24-5 finish, the CAC Tournament championship and a berth in the NCAA Division III Tournament. Fowler earned first-team All-CAC and third-team D3hoops.com all-region honors for his efforts.

As a senior, Fowler helped guide the Eagles to a 20-8 record and the CAC regular-season title. He earned repeat first-team All-CAC honors and was also a second-team D3hoops.com all-region selection. Additionally, he was nominated for the Bob Cousy Award as the top point guard in the nation as well as the Jostens Award as the top player in the country.

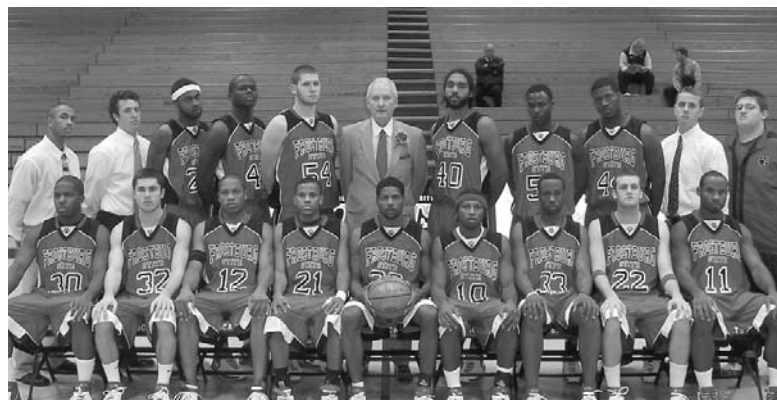

Fowler, in 2004-05 served as a varsity assistant and head boys' freshman basketball coach at Oakton (Va.) High School, graduated from Mary Washington in May 2004 with his degree in business administration.

He is pursuing his master's degree in business administration.

### FROSTBURG STATE UNIVERSITY

The 2006-07 season will be a challenge for the Frostburg state men's basketball team as it looks to replace three starters from last year's squad and reclaim the Allegheny Mountain Collegiate Conference title.

Gone are post players and all-conference selections Dan Ryley and Marcus McIntyre as well as Brian Owen. Ryley and McIntyre were two of the top rebounders in the AMCC while Owen was second on the team in scoring.

Head Coach Webb Hatch, who is in his eighth season at the helm of the program, will look to seniors **Dale DeBerry, Jr. (Upper Marlboro, Md./Riverdale Baptist)** and **Jade Belt (Baltimore, Md./Perry Hall)** to lead the team.

DeBerry has been solid in the preseason and is the projected starter at the two-guard position. He started six of the final eight games of the 2005-06 season and averaged 6.3 points per game. In the final contest of the regular season, DeBerry scored a season-high 17 points as the Bobcats fell to eventual AMCC Tournament runner-up Pitt-Greensburg.

Belt, who will add depth to the post position this year, is a good defender that rebounds well. Last season, he appeared in eight games for FSU.

Frostburg State has arguably its most talent in its four juniors: **Brian Green, Jr. (Baltimore, Md./Perry Hall)**, **Keith Hazel (Weirton, W.Va./Weir)**, **Antione McCall (Essex, Md./Eastern Tech)** and **Jermaine Kapombe (Washington, D.C./Friendly)**.

Green enters this season as FSU's starting point guard. He returns to the Bobcats after suffering a season-ending injury 11 games into last season. Greene, who possesses good ball handling and defensive skills, averaged 11.9 points and 2.7 assists per game in 2005-06.

Hazel enters the year having started the most games (18) of any returning player on this year's roster. He is a very talented athlete who can run, jump, shoot and defend well and he possesses good three-point shooting ability. Hazel averaged 11.5 points per game last season, including 14.4 a contest over the final 16 games of the season. He earned AMCC Player of the Week honors last season after scoring a season-high 26 points against Medaille on Jan. 14.

McCall returns to the FSU lineup after playing for the Bobcats in the 2003-04 and 2004-05 seasons. Since his last time on the court, he has gained weight and become stronger and will compete for a starting spot in the frontcourt. In his last season in a Frostburg State uniform, he played in 20 games and averaged 3.8 points per game.

Kapombe is a transfer from Prince George's Community College. He will compete for time at both the guard and forward positions.

Sophomore **Jonathan Forster (Taneytown, Md./Francis Scott Key)** will also compete for time in the backcourt. Forster is a good shooter after developing his skills in the offseason and he will see significant time.

Sophomores **Carter Simmons (Annapolis, Md./Southern)** and **Juan Wansley (Odenton, Md./Arundel)** will both battle for time on the court in the post.

Simmons is a solid left-handed player who appeared in 19 games last year. He recorded season-highs in points (6) and rebounds (6) against Medaille on Feb. 10.

Wansley is a solid post player with good ability, despite being undersized. He is a hard working and coachable player who will add depth to the team. He played in six games in 2005-06.

The coaching staff also welcomes in five very talented freshmen in **Ben Tubman (Gaithersburg, Md./Watkins Mill)**, **Paul Shockley (Leesburg, Va./Heritage)**, **Anthony Guy (Washington, D.C./Good Counsel)**, **Brandon Gilliam (Yonkers, N.Y./Yonkers)** and **Ramiro Ramos (Edgewood, Md./Edgewood)**.

Tubman is in his second year at FSU after not playing for the team last season.

He has been a pleasant surprise in the preseason and should see significant time in the post. Tubman is a tough inside player with great rebounding skills and a quick first step.

Shockley is a good shooter and is a very fundamentally sound player who will see a ton of playing time in the backcourt in 2006-07. He was a second team all-district and first-team all-extra player as a senior at Heritage High School.

Guy is also a very fundamentally sound player and should compete for playing time at the point guard spot. He has good vision and he passes and defends well.

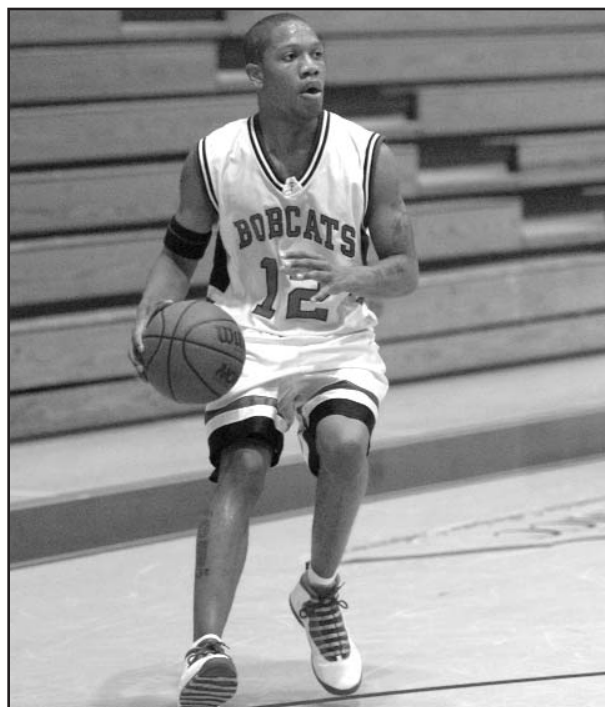

Gilliam is also a very coachable and hard working player. While at Yonkers High School, he earned All-Lower Hudson Conference honors as a senior. That same year he was named to the Mamaroneck Holiday Classic All-Tournament Team.

Ramos is a good left-handed post player who will battle for time. He was an all-county selection while at Edgewood High School.

Frostburg State opens the season for the second-consecutive year in the Provident Bank Pride of Maryland Division III Scholarship Basketball Tournament. FSU opens with Goucher in the opening round at Bobcat Arena before traveling to Goucher for the final two-days of the tournament.

FSU's non-conference schedule will also be rough. The Bobcats face reigning USA South Conference Champion Christopher Newport as well as Shenandoah, Waynesburg and Mary Washington.

In the AMCC, Frostburg State was selected in the preseason to finish fourth. Penn State Behrend was chosen as the league's favorite followed by Lake Erie and Hilbert.

## Provident Bank Pride of Maryland Division III Scholarship Basketball Tournament

For the second consecutive year, Frostburg State opens its season at the Provident Bank Pride of Maryland Division III Scholarship Basketball Tournament. The nine teams in the state of Maryland compete in a three-day tournament for the right to be crowned, "Division III Maryland State Champion."

Bill Nelson, men's basketball coach at Johns Hopkins, and Brett Adams, athletic director and men's basketball coach at Villa Julie, came up with the idea more than 10 years ago. The plan was to model the tournament after the very successful 40-year old JP Morgan Chase Scholarship Basketball Tournament in Rochester, NY. The tournament combined collegiate athletic competition, community involvement, and academic scholarship and recognition. Nelson had been a participant of the "Chase" tournament during his tenure at Nazareth College in the late 70's and early 80's. Adams and Nelson felt that the state of Maryland presented a unique opportunity, due to the ideal number of men's Division III teams.

Provident Bank will donate \$1000 to the general scholarship fund of each of the nine colleges and universities participating in the Provident Pride of Maryland Tournament. One student from each school will be selected to receive the award, with the criteria for selection defined as:

1. The student must be a Maryland, Virginia, or Washington, DC resident.
2. The student must exemplify the Provident Way: Integrity, Caring, Excellence, Partnership and Results Driven.
3. The student must be enrolled full-time.
4. The student must be an upperclassman.
5. The student must maintain a 3.2 GPA in his/her area of study.
6. The student must make a good-faith effort to be present at the check presentation ceremony during the Provident Bank Pride of Maryland Scholarship Basketball Tournament.

The nine Pride of Maryland teams are: Frostburg State, Goucher, Hood, Johns Hopkins, McDaniel, Salisbury, St. Mary's (Md.), Villa Julie & Washington.
